

# pkey-S has 2 different serials

serial number of the smartcard (900xxxxx)

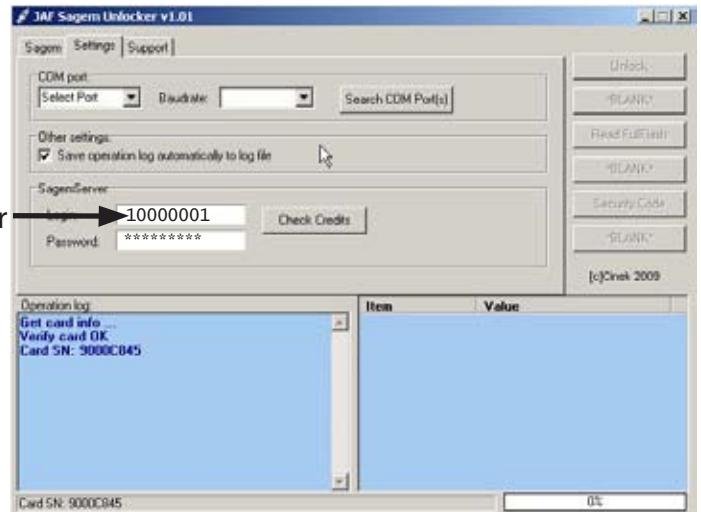

sticker on the backside with login number and password for DK unlocker and JAF for Sagem (100xxxxx)

## DK BB5 client login

the login number from the sticker is both:  
- user name for DK unlocker  
- login for JAF Sagem unlocker

## JAF Sagem Unlocker

to activate your JAF box for Sagem you need both: serial number and login number

login number and password from the sticker are written above, serial number from the smartcard is written at the lower field.
